Prayer

*Dear and compassionate God
we give You thanks for Peter Donders
who dedicated his life to You
and was of service to all those
who were discriminated or abandoned
because of sickness or for other reasons.
You gave this humble missionary priest
an open heart for all people
regardless of race, color or descent.
Thus he followed in the footsteps
of Jesus Christ, Your Son,
through whom You performed miracles
of goodness amongst us.
Give that today also, people may experience
miracles of healing and salvation
through the intercession of blessed Peter Donders
and that he may receive recognition as one of
your saints
who lives with you through all eternity.
Amen.*
